FOR IMMEDIATE RELEASE

CSI Phoenix Chapter Recognizes Dryvit's® Jim Nisted for Contributions to Organization

West Warwick, RI (August 22, 2016) – The Construction Specification Institute's (CSI) Phoenix chapter recently presented Dryvit's Jim Nisted with its President's Certificate recognizing Nisted for his contributions to the organization.

In presenting the President's Certificate, Chapter President Ed Galindo, AIA, CSI, CDT, LEED AP BD&C, thanked Nisted for his "outstanding efforts, your devoted and selfless personal contribution helping to advance the mission of the Chapter, the Southwest Region and the Institute."

Nisted, CSI, LEED GA, AWCI CEP, is a Technical Sales Associate for Dryvit and chairs the Technical Committee for the CSI Phoenix chapter.

"It's an honor to be recognized by my fellow members of the CSI Phoenix chapter," said Nisted. "CSI is a great organization and I'm pleased to be able to tap my professional expertise in helping to lead the important work of the CSI Technical Committee."

About Dryvit Systems, Inc.

Dryvit Systems, Inc. (www.dryvit.com) is the manufacturer of Outsulation®, the premier Exterior Insulation and Finish System (EIFS), in the U.S. Dryvit operates all North American manufacturing facilities to both ISO 9001:2008 and 14001:2004 standards. Dryvit is a member of, and is actively engaged in, many relevant construction-related organizations such as AWCI, EIMA, NAHB, USGBC, ABAA, AIA and CSI. Dryvit works both independently and within those organizations to promote energy efficient construction methods that create jobs, reduce reliance on non-renewable energy sources, and reduce the carbon footprint of our nation's buildings. Dryvit is headquartered in West Warwick, R.I., and has manufacturing facilities there as well as in Georgia, Oklahoma, California, Canada, Poland, and Germany.
