

Strata DS II

Strata DS II

"[A designer is] an emerging synthesis of artist, inventor, mechanic, objective economist and evolutionary strategist."

Buckminster Fuller

Silk DS III

A decorative faux finish material with performance characteristics that make it perfect for your next project. **T1227**

Faulux finishes utilize faux painting techniques for certain effects, yet realize performance benefits from the use of high quality acrylics and enhancement agents to achieve impressive interior spaces.

Faulux finishes boast of over 2000 scrub cycles, making the finishes durable and abrasion resistant and suitable for a wide spectrum of uses. All finishes are also washable, Class "A" Flame Spread and Smoke Resistant and have very low VOCs.

Two hundred eighty-eight standard colors and a variety of textures such as Silk, Silk DM and Strata provide a wide range of design options to make almost any interior design special.
